

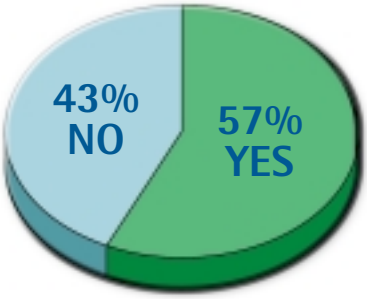
IS GREEN THE HOTTEST TREND GOING IN THE JAN/SAN INDUSTRY TODAY?

Forty-Two Percent Say "Yes."

Will Green cleaning chemicals eventually replace traditional cleaning chemicals?



With Enviro-Solutions, you have a dedicated partner with a **proven** record.

Proven Products

- No manufacturer has more products certified by the Green Seal and Environmental Choice programs.
- Our line is competitively priced compared to the major brands.

Proven Performance

- Our products work as well as - or better than - traditional products.
- We have major customers that have been with us for more than 10 years.

Proven Solutions

- We bring greater value to you so that you can be better.

BUT WHAT DOES ALL THAT MEAN FOR YOU?

Enviro-Solutions is here to help you better:

- Grow your market share
- Retain your existing customers
- Develop new opportunities with current customers

Because we know...

- More about the market
- More about promoting its products and
- More about where to find key prospects

ENVIRO Solutions™
