Enviro-Solutions Adds Six New Distributors

Peterborough, ON - November 23, 2008 - Enviro-Solutions, a manufacturer of "Green" cleaning chemicals and other products, announces the addition of six new distributors, adding to its growing sales network in the United States and Canada.

After several months of market research, Enviro-Solutions has selected these distributors because of their experience with and knowledge of the professional cleaning industry, according to Mike Sawchuk, Vice President and General Manager of Enviro-Solutions.

“They all show a commitment to grow their businesses, sales, market share and customer satisfaction by marketing certified, environmentally preferable cleaning products,” he says.

The six new Enviro-Solutions’ distributors are:

- P & C Paper, Portsmouth, VA
- Kleenorama, Washington, DC
- Shore Is Clean, Whiteford, MD
- America First, Atlanta, GA
- Allegheny Supply, Duncansville, PA
- Boreal Solutions, Thunder Bay and Sault St. Marie, Ontario, Canada

“Taking on a new line of cleaning chemicals is a big decision for any distributor,” adds Sawchuk. “We are gratified [these distributors] find enough value in Enviro-Solutions and its products that they have decided to join us.”
