

It's no secret that today's consumer is concerned about and conscious of how we treat the environment. And they're making important, informed decisions as a result – including which cleaning products to use.

## AND IF IT'S IMPORTANT TO THEM, IT'S IMPORTANT TO YOU

Like the customers that you service, you too have important decisions to make when it comes to selecting a Green chemical partner.

## AT ENVIRO-SOLUTIONS, THAT'S EXACTLY WHAT YOU GET. CHOICES.

At Enviro-Solutions, Green is all we do. And for the past 10 years we've been offering more of the ways to make Green not only work, but be rewarding and profitable for you as well.

### We understand that you need:

- Competitively priced products that work as well as, or better than, traditional products
- A manufacturer partner that offers training, sales support, and the guidance needed to help shorten your learning curve - putting you at the forefront of this growing industry
- A protected selling territory
- Confidence that your Green offering is stronger than your competitors' and
- An extensive line of Environmental Choice Program or Green Seal® certified products
